Description

In the tranquility and greenery of the Karst and at the same time a few minutes from the first outskirts of Trieste we propose a villa on two levels in Padriciano , one of which is an attic and very large. The large tree-lined garden of about 2000sqm surrounds the house creating a beautiful atmosphere together with the livable porch. The interior, to be renovated, is composed of a living room with fireplace, kitchen, three bedrooms (two double and one single) and two bathrooms. The upper floor is attic, but with high ceilings and spacious with the possibility to create additional rooms. Comfortable garage.
